How Oscar helped set up Stephanie so purrfectly

WHEN Oscar Pet Foods franchisee Stephanie Wilkinson moved to the Peak District, it wasn't only the location that changed.

"The move was so fast that

it forced me to leave behind my career in marketing," said Stephanie. "Luckily, it also opened the door to a new life."

The Oscar Pet Foods franchise that she took on

provided everything she was looking for: an ideal location and plenty of support from the franchise team.

"I could see a sustainable business model that offered

me a good level of back up for a future that I knew I would enjoy," said Stephanie.
