THE OSCAR complete pet care service is about to knock at your door and it will be well worth your while to take a good look at what Chris McGee can offer you and your pets.

"Mansfield is in for a real treat because, as your NEW local qualified Nutritional Advisor, I am able to bring a professional, dedicated and personal service at an affordable and competitive price," Chris said.

"There is an old saying 'you are what you eat' but have you really thought about what you are feeding your pets?"

OSCAR pet foods are specially formulated to meet the requirements of an honest label policy. Made in Britain, with no artificial colourings or preservatives and ingredients adding up to 100 per cent, I know that I have a quality food suitable for healthy pets and for those suffering from skin, tummy or joint problems.

Here is an opportunity to try before you buy and to benefit from FREE nutritional and expert behavioural advice combined with veterinary support.

"I won't let you run out of food. Once you've started feeding OSCAR I will make sure that you

never need to think about pet food again. I will keep in touch and deliver whatever you need to your door at your convenience."

For a free meal for your pet contact Chris on 01623 422671, email chris.mcgee@oscars.co.uk or visit www.oscars.co.uk
