Model franchisee

LESLEY LAVIN IS CELEBRATING 10 YEARS IN BUSINESS WITH OSCAR, THE PET FOOD AND PET CARE SPECIALIST

Celebrating 10 years as an OSCAR franchisee, Lesley Lavin has nothing but praise for the business opportunity that continues to fit around her family commitments while keeping her in touch with people who rely on her special pet care service.

"Time flies when you are having fun, and that is how I feel when celebrating my first 10 years as an OSCAR franchisee," says Lesley, from Cheadle Hulme in Cheshire. "It all began when I was forced to change my career as a midwifery sister to care for my two children who needed my full-time attention for health reasons.

"Caring for others has been my life, and when I was presented with a business opportunity that provides care for animals I saw the potential to work for myself - doing what I know best and with man's best friend."

APPEAL

Lesley found out about OSCAR on the internet.

"Instinctively we clicked," she explains. "I found an unconditionally friendly, family business that appealed immediately for all the right reasons.

"The flexibility of running my OSCAR business has enabled me to maintain family life while continuing to develop a very healthy customer base. My husband helps when he can, but the support from head office and neighbouring franchisees confirms the strength of our network. I am an individual, but I belong to a much larger organisation that encourages teamwork."

Lesley adds: "I love animals and in the early days my dogs, Sandy and Ben, were very much part of my business presentation. They were proof of a good quality product that produced a happier, healthier and longer life - the reward that the last 10 years has brought me. The evolution of life brings me new puppies to feed, it also helps me to solve tummy or skin problems and offer mobility to older dogs, as recently confirmed by a customer whose dog responded very quickly to a specific food within the range."

Lesley enjoys working for herself and says she would recommend the OSCAR business opportunity:

Lesley Lavin: "Caring for others has been my life"

"Its support, products and services have proved to be beneficial and convenient for my customers and, of course, successful for me."

SECURITY

An OSCAR franchise provides the security of a strong brand and protected image as well as the benefit of running your own business to suit your circumstances. Within your own exclusive territory you can provide a convenient and free direct-to-the-door delivery service that comprises a comprehensive range of quality pet foods supported by an honest label policy.

The opportunity to offer a complete pet care service with ongoing expert advice, health care products and accessories is unique to OSCAR and brings many rewards, including repeat business and the opportunity to meet the UK's 13 million pet owners.

OSCAR recognises the importance of making career changing decisions. So if you want the freedom and security of running your own business, your change for the better should be with OSCAR. **MM**
