Congratulations TO ALISON JONES

The FIRST OSCAR customer to win a pet-friendly holiday... for recommending a friend to the OSCAR complete pet care service.

Alison could not believe her luck when she received the news! “Feeding my dogs OSCAR pet food is a prize in itself but to win a holiday for passing on details about the food to a friend came as a complete surprise. I never win anything,” says Alison!

“To have dogs that were not eating properly caused me a great deal of worry, and running my own hairdressing business added to the demand on my time in trying to source something more satisfying. Until I was introduced to Lesley and OSCAR Pet Foods – I am so happy, the difference is amazing, meal times are a pleasure, and it's delivered to my door.”

“Thank you so much for a fantastic and reliable service and an even bigger thank you as I look forward to a holiday with my family... and my dogs!”

I value my customers for their loyalty. It's a pleasure to run a business where I can enjoy delivering a service that ensures my customers have fit, happy and healthy pets.

I believe every pet deserves an OSCAR... meal, and customer recommendations are overwhelming – even more so when the competition's FIRST WINNER brought me a new customer and a fantastic holiday treat to Alison and her family.

Stoke on Trent

Mellissa Kelly from Stoke on Trent says,

“ From the start, Devon, my Golden Retriever had been suffering with very poor skin and coat condition. She was constantly itching and scratching, pulling her fur out in clumps.

Having changed her food so many times I wish I'd been introduced to OSCAR sooner. Tom Cartmale turned our lives around. He could not do enough to help; his nutritional advice has worked wonders. I would go a long way to find another pet food company that offers a personal service that I can trust and where I know I will get an honest answer. I would have no hesitation in recommending OSCAR!
